

Hard Bound Thesis for Doctoral Scholars

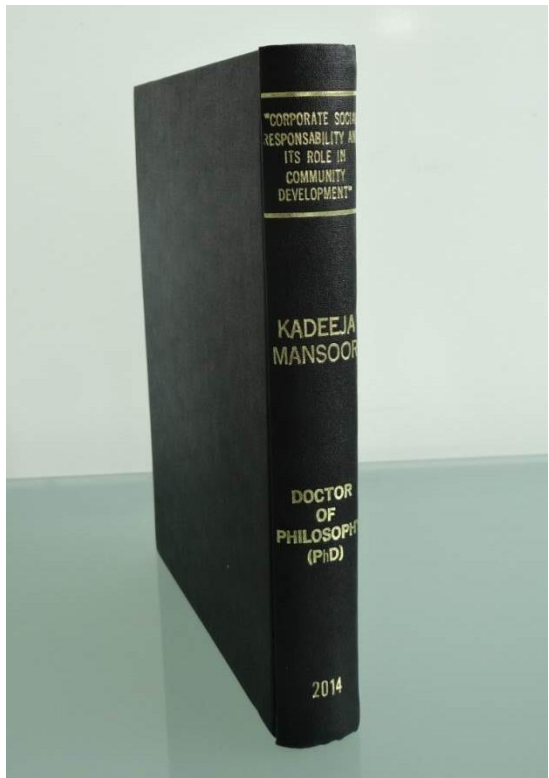

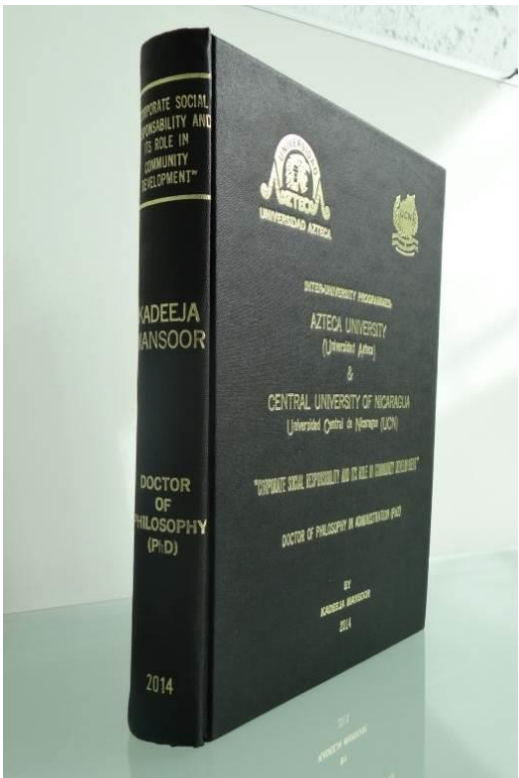

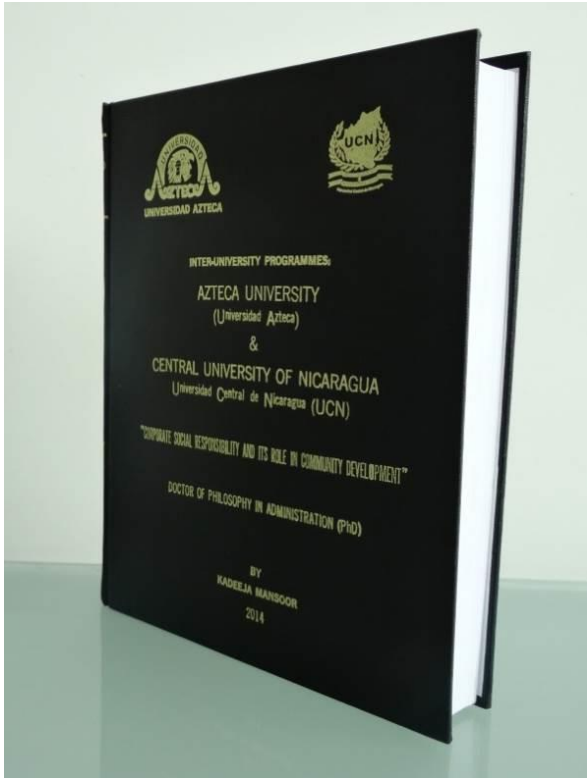

Also known as a case binding. Thesis must be bound with a professional quality library buckram. The binding shall be thread sewn to the highest standard, and glued for maximum durability. With thick 3mm boards offering a rigid finish, and solid feel, combined with the spine curvature for ease of opening. This binding is required for final thesis submission, (personal copies are optional).

Be aware that, an original copy is mandatory to be saved at the University Library, besides the soft copy in Word for Windows, this is a mandatory in order to graduate at Doctoral Degree Level and requested by ASIC UK our International Accrediting Agency.

For details about Thesis requirements, please see the:

Azteca-UCN Policies and Procedures for Thesis and Dissertation Preparation and Filing DA-ST-07

The binding price per copy is US\$150 including the university certification as shown in the next page.
